Statement of Agreement

I acknowledge that BRT is not responsible or liable for any claims, damages, or actions of any nature whatsoever relating to, arising out of or connected with disputes between potential or selected roommates.

I further understand that, once my reservation is accepted, the \$250 deposit is non-refundable, regardless of reason.

I understand that Brookview Commons is smoke free, and I agree to adhere to a policy of smoke-free apartment living.

I understand that onsite parking may not be available for every resident requesting a space at Brookview Commons. Additional parking is available from the City of Danbury at the Patriot Garage at 21 Delay Street.

Upon assignment of individual apartments, I understand that I will execute a Rental Agreement with BRT for Fall 2012 WCSU academic year. (Estimated August 26, 2012 to May 12, 2013.) Prior to executing the Rental Agreement, I also understand that I will be required to either demonstrate an independent ability to pay rent, or provide a guarantor.

I understand that I will be charged a one-time \$160 telecom fee at the beginning of the Rental Agreement for the academic year. Monthly summer renters will pay \$10 per month for telecom.

Brookview Commons is an energy-efficient, "green" building. To best conserve energy, electrical utilities are metered per apartment. In addition to paying rent to BRT, I understand that my roommates and I will be paying our own electric utility bill directly to CL&P for our apartment's energy usage - and that doing so will raise awareness of our collective energy consumption.

I understand that Brookview Commons may be leased to occupants other than students of WCSU.

The undersigned hereby authorizes any credit history checks required in connection with this application and subsequent Rental Agreement(s).
